**Re: Chemetco Superfund Site
Hartford, Illinois (the "Site")**

Dear Ms. Kerr:

I am in receipt of an undated letter from Joan Tanaka address to Sumco, Inc. at 1351 South Girls School Road, Indianapolis, Indiana 46231 and The Corporation Trust Company ("CT") regarding the Site. CT forwarded the letter to us.

Please be advised that Sumco, Inc. is a Delaware corporation incorporated in December 2005 and qualified to do business in Rhode Island. It does not and never has conducted business in Illinois. Sumco, Inc. does not have an office at the Indiana address indicated in the letter from Ms. Tanaka.

Some research on our part leads us to believe that your office has misidentified Sumco, Inc. as a PRP instead of Sumco LLC, an entity having an address of 1351 South Girls School Road, Indianapolis, Indiana 46231 and engaged in the business of electroplating according to its website. I enclose a copy of the home page for Sumco LLC for your convenience.

I would appreciate a prompt written confirmation from you stating that Sumco, Inc. is not the intended recipient of the letter regarding the Site and that no further action need be taken on our part.

If you have any questions, please do not hesitate to call me.

Sincerely,

Patricia P. Reeser
Deputy General Counsel
